

**Remarks**

The Applicants encloses an English translation of the original Application for the record.

The Applicants have amended the Specification to provide proper headings and the Claims to place them into better form for examination under U.S. Rules of Practice. Also, an Abstract has been added.

We have also amended Figs. 2, 3 and 5 and substitute drawings are attached herewith.

We respectfully request that the Application be forwarded to the appropriate art unit for examination on the merits.

Respectfully submitted,

T. Daniel Christenbury
